FOR IMMEDIATE RELEASE

'My Conversations With Jesus': Newly Published Book Plays 20 Questions With God

McLoud, OK — A new book featuring Jesus Himself as co-author, titled, **'Oh My God! Are You Talking to Me? (My Conversations with Jesus)'** was just published by Metropolis Ink, (Trade Paperback, 244 pp, \$16.95, ISBN 0958054371).

"It's an unusual book that can have profound effects on the reader," says co-author Peniel, transcriber of Jesus' words. "The messages contained inside are powerful enough to change people's lives."

The book is a transcript of conversations in which Jesus answers the co-author's questions. Peniel says: "In my early twenties, I carried a tattered sheet of paper in my wallet with 20 questions that haunted me, such as: *What is Love? Why are we here?*"

Of the book's genesis, Peniel says, "At 3:30 one morning, I realized that I couldn't find answers to these important questions. Dejected, I wondered whom I could ask? Who would know the answers to such perplexing questions? Frustrated, I thought, 'God only knows?' To my astonishment, those three words echoed: **'God only... knows.'** But it wasn't my voice. It wasn't asking, it was answering. This was how Jesus first came to me and began speaking, eventually answering all my questions."
